

## **New Broker Moratorium**

Currently, GeoVera Holdings, Inc. has a moratorium in place for new broker appointments in certain California counties. The counties affected by the moratorium are:

- **ALAMEDA**
- **CONTRA COSTA**
- **LOS ANGELES**
- **SAN FRANCISCO**
- **SAN MATEO**
- **SANTA CLARA**
- **VENTURA**

If your agency is located in any of the listed counties, neither GeoVera Insurance Company nor Pacific Select Property Insurance Company can offer you a direct appointment at this time.

If you are currently working with an MGA (Managing General Agent) or another broker to access our earthquake products, please continue to do so.
